Tianyun International: Announced 2019 Annual Results

The screenshot shows a Bloomberg terminal window with the following details:

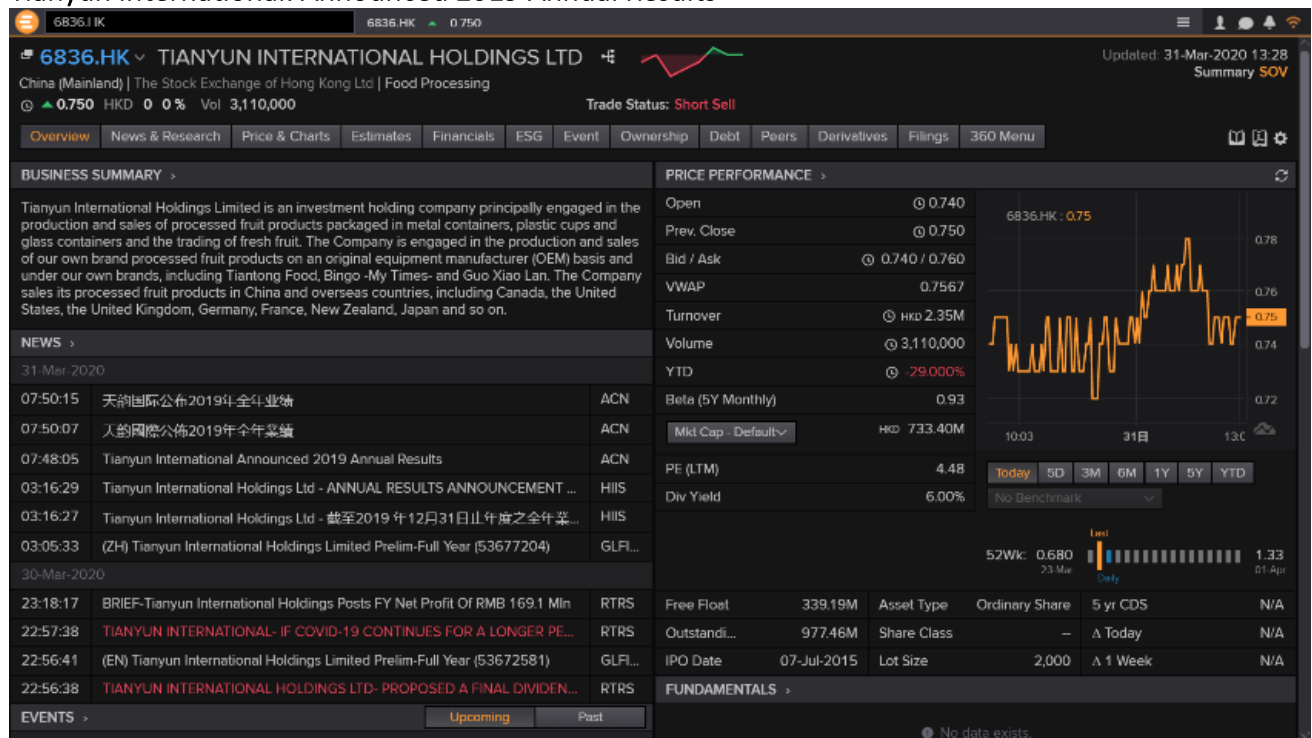

- Header:** 1-BLOOMBERG
- Toolbar:** Includes navigation and function buttons like Previous, Next, Send, Actions, and Translate.
- Market Data:** Displays stock information for TIANYUN INTERNAT Equ... (NSN), including price (HKD 6836), change (+0.02), volume (3,710,000), and other metrics.
- News Title:** **Tianyun International Announced 2019 Annual Results**
- Summary:** Total Revenue exceeded RMB 1 billion; Revenue from Own brand business surged 31%; Full year total dividends jumped 9.1% YoY.
- Text Content:**

HONG KONG, Mar 31, 2020 - (ACN Newswire) - Tianyun International Holdings Limited ("Tianyun International", together with its subsidiaries, the "Group"), a leading seller and manufacturer of processed fruits products in China, announced its results for the year ended 31 December 2019 ("Year under Review").

The Group's annual revenue exceeded RMB 1 billion in 2019. Revenue, gross profit and net profit all recorded double-digit growth. The gross profit of all three segments namely OEM, own brand business and fresh fruit business rose simultaneously. To share the achievements we made with shareholders, the Board recommends a final dividend of HK\$ 3.0 cents per share, implying a full year total dividends of HKD 4.8 cents in 2019, with a year-on-year increase of 9.1%.

Tianyun International Announced 2019 Annual Results - Asian Corporate Newswire

31-Mar-2020 07:48:05 AM

Total Revenue exceeded RMB 1 billion; Revenue from Own brand business surged 31%;
Full year total dividends jumped 9.1% YoY

HONG KONG, Mar 31, 2020 - (ACN Newswire) - Tianyun International Holdings Limited ("Tianyun International", together with its subsidiaries, the "Group"), a leading seller and manufacturer of processed fruits products in China, announced its results for the year ended 31 December 2019 ("Year under Review").

The Group's annual revenue exceeded RMB 1 billion in 2019. Revenue, gross profit and net profit all recorded double-digit growth. The gross profit of all three segments namely OEM, own brand business and fresh fruit business rose simultaneously. To share the achievements we made with shareholders, the Board recommends a final dividend of HK\$ 3.0 cents per share, implying a full year total dividends of HKD 4.8 cents in 2019, with a year-on-year increase of 9.1%.

According to a recent analysis report on China's processed fruits and vegetables market industry published by Euromonitor International, a global institution on the field of market data and research, the industry market size of 2019 has grown by 8% year-on-year to RMB12 billion while Tianyun International is a leading enterprise in the industry. With many years of intensive cultivation in the processed fruit industry, the Group's brand, image and product quality have been highly recognized.

During the Year Under Review, the Group continued to receive multiple accolades, including the "40th Anniversary of the Reform and Opening Up of the Country - China Canned Food Brand Award", "2019 China Canned Food Leading Brand" and "China Canned Food Leading Enterprise" by the China Canned Food Industry Association. The Group also made the Most Valuable Chinese Brands for the third consecutive year and stepped across the RMB1 billion mark in assessed brand value for the first time and was also elected as a corporate member of the 2nd Council of the China Council for Brand Development. All these show the high level of market recognition for the Group's outstanding brand value and influence, and also reflect the steady growth of market share and consumer recognition for the Group's own brand products.

Continue to focus on its own brand, precise marketing and e-commerce bringing fruitful results During the Year Under Review, the Group's own brands, including "Tiantong Times", "Bingo Times" and "fruit zz" maintained rapid revenue growth. The Group continued its effort in active participation in various international and domestic fairs and exhibitions, the Group has been endeavouring to expand into strong sales channels such as regional distributors and large chain supermarkets, enabling well- managed development of the sales network of our own brand and expanding product coverage to 27 provinces, direct municipalities and autonomous regions across the country, as well as 306 exclusive regional distributors, covering renowned chain supermarkets including Auchan, RT-MART, CR Vanguard, AEON, Beijing Jingkelong and Jinan Hualian. The Group successfully enhanced consumer interaction, increased sales and boosted online-to-offline image through organising various promotional activities. The Group also
