This appendix includes an explanatory statement required by the Stock Exchange to be presented to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors in the AGM.

LISTING RULES FOR REPURCHASE OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 977,462,000 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase up to a maximum of 97,746,200 Shares.

FUNDING AND IMPACT OF REPURCHASE

Any repurchase will be made out of funds which are legally available for the purpose in accordance with the Articles, the Listing Rules and the applicable laws of the British Virgin Islands. As compared with the financial position of the Company as at 31 December 2018 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent if it would, in the circumstances, have a material adverse effect on the working capital of the Company.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the British Virgin Islands and in accordance with the Articles.

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates currently intends to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

SHARES PURCHASES MADE BY THE COMPANY

The Company had not repurchased Shares on the Stock Exchange during the six months preceding the Latest Practicable Date.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register maintained under section 336 of the SFO, SDH is interested in 263,914,740 Shares, representing 27% of the voting rights of the Company. In the event that the Directors exercise in full the power to buy back Shares which are proposed to be granted pursuant to the Repurchase Mandate, the shareholding of SDH would be increased to 30%. As a result, SDH and persons acting in concert with it are required to make a mandatory offer under Rule 26 of the Takeovers Code. However, the Company has no present intention to exercise the Repurchase Mandate to such an extent that an obligation to make a general offer under the Takeovers Code will be triggered. The Directors have no intention to exercise the Repurchase Mandate to such extent that the public shareholding will fail to satisfy the minimum public float requirement of 25% of the total issued share capital of the Company.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:
