**Mr. Yang Ziyuan was interviewed by Forbes China
with the Group's new sports drink products**

"In terms of products, we have been continuously recognised as a "National High-Tech Enterprise" and hold multiple patents for inventions, utility models, and designs. We prioritise comprehensive products research and development to continuously innovate and improve our food production technology standards, ensuring that we deliver high-quality and diversified product mix to both domestic and international markets. As consumer health awareness increases and demand for functional sports drinks rises, we have researched and developed the Fruit Granules Vitamin Sports Drink and Fruit Enzyme Sports Drink to offer consumers with quality products for nutritional supplements and health maintenance. We strongly believe that only through continually improving product quality and innovation, can we truly fulfill our corporate social responsibility and ESG development goals."

"We are grateful for the continued support and trust of the community, and as part of our corporate social responsibility, we will remain committed to enhancing our business and sustainability capabilities. Our focus is to achieve our ESG development goals by fully integrating ESG into our operations and business development. We will also continue to collaborate with our employees, customers, and communities to

About Tianyun International Holding Limited (Stock Code: 6836.HK)

Tianyun International Holdings Limited (the "**Company**") and its subsidiaries (collectively referred to as the "**Group**") primarily focus on two core business areas: (i) research and development, production, and sales of processed fruit packaged in metal containers, plastic cups, glass containers, and aluminum foil bags and beverages; (ii) trading of fresh fruits. Processed fruit products are sold both under its own brands "繽果時代(Bingo Times)", "果小懶(fruit zz)" and "天同時代(Tiantong Times)" and on an OEM basis. The beverages are sold under its own brand Shiok Party "享派" and "妖果季 (Demon Fruit Season)".

The Group is fully committed to providing healthy and safe products to its customers. As a food enterprise with one of the most complete quality certifications, we rigorously adhere to the stringent international production standards and are accredited with BRC (A), IFS Food (High), FDA(FSMA), HALAL, SC, KOSHER, BSCI, and ISO22000, etc. in respect of our production facilities, quality control and management. The Group has also passed the internal food-production standards reviews and audits from several UK and US supermarket chains. Concurrently, as a Chinese food production and export enterprise, the Group upholds "Equal production line; Equal standard; Equal quality" to supply products of equivalent quality to domestic and international markets. The Group's own-brand processed fruit products have continually achieved high market recognition since 2016 and have been awarded the honor and qualification of "China Canned Product Quality Certification Label" by national associations.

The Group was awarded China's Most Promising Listed Companies by the internationally-renowned financial magazine Forbes and the "2017 Linyi Mayor Quality Award" by the PRC government in 2017. The Group's new and proprietary researched, developed, and produced pure fruit snack food, which received a national "Certificate of Invention Patent" in 2018. In 2019 and 2022, the Group was awarded the National Hi-tech Enterprise Certificate for two consecutive terms. In 2020, the Group was recognised as one of the Most Valuable Chinese Brands for the fourth consecutive year.
